Commission in respect of Scientist are not applicable to the ICAR, as it is an autonomous body. ICAR has appointed a separate committee to suggest the revision of pay scales of the Scientists belong to the ICAR system. The recommendations of the Committee are under active consideration of the Government.

(c) The pay scales of Scientists working in the State Agricultural Universities are to be revised by the respective State Governments. The ICAR has agreed to support such a revision of pay scales of Scientists in the State Agricultural Universities according to the recommendations of the UGC. There is no differential treatment because the State Agricultural Universities are autonomous State level institutions.
